

APPLICATION PROCEDURES FOR CHEMICAL ENGINEERING

Our department accepts applications on a rolling basis, however, in order to be given full consideration for admission and financial assistance, applications for **Fall semester** should be received by **January 15**.

Deadline for Full Consideration for Funding (All Applicants)	<u>Fall Semester</u> January 15	<u>Spring Semester</u> September 1
Final Deadline for Applications	Domestic – July 1 International – April 1	Domestic – December 1 International – September 15

Please apply on-line at <https://graduateschool.vt.edu/admissions/how-to-apply.html>.

There is a \$75.00 application fee. Your application will not be processed until this fee is paid. **Admission decisions can only be made when we receive a complete application.**

The university requires the following scores:

- Minimum score of **90** on the internet-based TOEFL test or
- A score of 6.5 or higher on the IELTS

*TOEFL scores may be waived for applicants who have a degree from a US university, however, the degree must be awarded.

GRE scores are NOT required, however, applicants may provide GREs as additional information for our admission committee, if desired. Decisions are based on the student's entire application package.

The complete application includes:

- Completed on-line application and application fee
- Electronic copy of all official transcript(s) submitted with the on-line application (Official final transcript(s) sent to the Graduate School upon acceptance)
- Official TOEFL test scores or IELTS scores
(international students whose native language is not English or do not have a degree from a US university)
- Three (3) letters of recommendation
(provide e-mail addresses of references when completing on-line application)
- Resume and Statement of Purpose submitted with on-line application

DO NOT MAIL DOCUMENTS TO THE DEPARTMENT, THEY SHOULD BE UPLOADED WITH THE GRADUATE APPLICATION

Electronic transcripts should be legible when submitted or there may be delays in processing your application.
