

CHEMICAL ENGINEERING DEPARTMENT
ANNUAL GRADUATE STUDENT EVALUATION REPORT
(Reporting Period: May 10, 2020 – May 9, 2021)

Purpose:

The purpose of this form is to facilitate self-evaluation by graduate students, and to comply with the university's requirement that graduate students should be evaluated on a yearly basis and provided feedback on their performance.

Instructions:

Graduate students are responsible for completing the self-evaluation section of the form and advisors are responsible for completing the faculty evaluation section of the form. Graduate students are responsible for getting this entire form completed, signed and turned in to Diane Cannaday by May 28, 2021. All sections may not apply to you or you may have little information. Respond as completely as possible. The student should complete the self-evaluation, give the form to the advisor for their comments and set up a meeting to discuss the complete evaluation. Both student and advisor should sign the form and turn into Diane Cannaday by the deadline.
